

**SECOND MEETING OF MINISTERS OF
FOREIGN AFFAIRS, TRADE AND TRANSPORT OF
TÜRKİYE-AZERBAIJAN-UZBEKISTAN**

PLAN OF ACTIONS

2025-2026

	Action	Action Plan	Deadline	Responsible for implementation
1.	Establishment of a mechanism of Joint Working Group on Transport between Türkiye-Azerbaijan-Uzbekistan.	Establishment of a working group to identify the administrative and technical measures (that increase the cost of transport and reduce its competitiveness), in order to ensure the efficiency of the transport system between Türkiye-Azerbaijan-Uzbekistan and to find common solutions to these problems.	2025	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan
2.	Improving freight transport along the International Trans-Caspian East West Corridor (Middle Corridor), fostering increased cooperation within international organizations, and addressing TRACECA activities in the context of current conditions.	Strengthening cooperation between the railway administrations of Türkiye, Azerbaijan, and Uzbekistan is vital for enhancing multimodal transport, with a focus on rail transport between Asia and Europe. This includes identification and addressing traffic bottlenecks along the route to optimize transportation efficiency. Emphasis will also be placed on conducting studies to improve the efficiency and effectiveness of TRACECA activities to ensure seamless integration and increased transport capacities across the region.	2025-2026	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan

3.	Joint promotional activities to increase the freight traffic passing through the Baku-Tbilisi-Kars (BTK) Railway Line and other relevant projects of the trilateral interest.	Organizing international seminars, fairs and thematic conferences.	2025-2026	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan
4.	Providing technical assistance in the field of railways.	Providing cooperation, training and consultancy services in technical areas such as railway infrastructure development, digitalization, capacity allocation and traffic management in railways.	2025-2026	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan
5.	Strengthening co-operation in the field of air transport and logistics.	Negotiations between aviation authorities on enhancing co-operation in the field of air transport will continue on a regular basis.	2025	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan

6.	Strengthening Multimodal Transport and Infrastructure Integration.	Modernizing the rail, road and maritime connections of the Parties and establishing the necessary infrastructure to ensure transport integration of the three countries.	2025-2026	<p>Ministry of Transport and Infrastructure of the Republic of Türkiye</p> <p>Ministry of Digital Development and Transport of the Republic of Azerbaijan</p> <p>Ministry of Transport of the Republic of Uzbekistan</p>
7.	Providing and Promoting Transit Transport Facilities.	Improvements in transport conditions to facilitate transit operations between three countries.	2025	<p>Ministry of Transport and Infrastructure of the Republic of Türkiye</p> <p>Ministry of Digital Development and Transport of the Republic of Azerbaijan</p> <p>Ministry of Transport of the Republic of Uzbekistan</p>
8.	Carrying out studies on Zero-Waste and Carbon-Free Transport Policies to Reduce Environmental Impacts.	Minimizing the environmental impact of the sector by establishing zero-waste and carbon neutral transport strategies and exploring energy efficiency- oriented solutions.	2025-2026	<p>Ministry of Transport and Infrastructure of the Republic of Türkiye</p> <p>Ministry of Digital Development and Transport of the Republic of Azerbaijan</p> <p>Ministry of Transport of the Republic of Uzbekistan</p>
9.	Improvement of Port and Logistics Infrastructures.	Increasing the capacity of ports, increasing their competitiveness by integrating them into international logistics networks.	2025	<p>Ministry of Transport and Infrastructure of the Republic of Türkiye</p> <p>Ministry of Digital Development and Transport of the Republic of Azerbaijan</p>

10.	Promotion and Adoption of Digital Implementations at an International Level.	Carrying out joint studies for the promotion and dissemination of digital implementations, especially E-permit, at the international level.	2025	Ministry of Transport and Infrastructure of the Republic of Türkiye Ministry of Digital Development and Transport of the Republic of Azerbaijan Ministry of Transport of the Republic of Uzbekistan
